Guidelines for Full Papers

Papers should present facts that are new and significant, or represent a state-of-the-art review. They should include enough information for a clear presentation of the topic. Proper reference should be made to related published information. The name(s), affiliation(s), and contact information of the author(s) should appear below the title of the paper. A short abstract of 50-100 words must be placed at the beginning of the paper. A length of ~10 pages with an electronic file size of less than 5 MB is suggested.

Paper Submission Procedure

Please note that ONLY FULL PAPERS are to be submitted and peer-reviewed for this conference (abstracts or summaries will not be accepted). **Please plan accordingly as the extended deadline of 2010 January 31 is fast approaching!**

Submissions of full papers should be made electronically, preferably in MS Word format, through the Annual Conference electronic submission system at: <https://www.softconf.com/s08/CNS2010Technical>

To help with planning, authors are kindly asked to log onto the electronic submission system and input the title and main author of their planned paper even before making the full submission.
