Important Dates

- First Call for Papers: 2010 January 25
- **Deadline for submission of full papers: 2010 March 31**
- **Date of confirmation to authors regarding acceptability of papers: 2010 April 21**
- The early registration date is 2010 May 15.

Guidelines for Full Papers

Papers should include enough information for a clear presentation of the topic. The name(s), affiliation(s), and contact information of the author(s) should appear below the title of the paper. A short abstract of 50-100 words must be placed at the beginning of the paper. A length of ~10 pages with an electronic file size of less than 5 MB is suggested for a typical paper.

Paper Submission Procedure

Please note that **ONLY FULL PAPERS** are to be submitted for this conference (abstracts or summaries will not be accepted).

Please plan accordingly as 2010 March 28 is fast approaching!

Submissions of full papers should be made electronically, preferably in MS Word format, through the Annual Conference electronic submission system at <https://www.softconf.com/a/NEO2010/>. To help with planning, authors are kindly asked to log onto the electronic submission system and input the title and main author of their planned paper even before making the full submission.
