Women In Leadership Conference

GREEN WORKS 2009

Ottawa | Crowne Plaza | November 16

Invitation

Don't miss this opportunity to explore Green career & business opportunities that will change the future of Canada's economy.

Learn from **Green Leaders** about ideas on igniting our generation towards a sustainable future. Now is the time. Be a part of the Green revolution.

Green Works is organized by the Women in Leadership Foundation and supported by the Ontario Government. This conference is designed to attract, recognize, recruit and retain women in environmental occupations. By connecting stakeholders, this event will prepare YOU for a key role in the emerging global green economy.

Together with 300 private and public sector business women and students, we invite you to join us in Ottawa on November 16, 2009.
